

This is to certify that members of the
St. Clair Autosport Club

have been associated with the 1964 Shell 4000 and are therefore now competent to:

- (a) Survive two or more days in the bush under Arctic conditions without shelter, sleep or food*
- (b) Find their way on highway, byway, goat track and cow path, navigating from inaccurate and unreadable maps and instructions, to places which hardly exist*
- (c) Tell the time by sun dial, clock, chronograph and time signal and set such time on a punch clock without crushing fingers or getting wrapped in tape*
- (d) Pacify and control large crowds of citizens or small groups of competitors*
- (e) Understand oaths in English, French, Swedish, Finnish and Czech.*
